Council—

WIFE NUMBER ONE, ALIVE, HAUNTS MARSHAL WAITS.

R. C. Waits, the city marchal of Mountain View, who formerly resided in this city, is being haunted, not by a ghost but by a former wife who is very much alive and filled with determination. Seventeen years ago Waits married under the impression that his wife was dead. Mrs. Waits has appeared on the scene and brought suit for maintenance.

Waits came to California twenty-two years ago from Missouri leaving Mrs. Waits and a child behind. When he sent for them his father-in-law, John Reece, of Craig, Mo., wrote back that they were dead. Reece asked for money to pay the funeral expenses, which Waits sent.

Waits remarried five years later. He has eight children by his second wife.

Mrs. Mary Reece Waits suddenly appeared in Mountain View some months ago and had the town marshal arrested on a charge of bigamy. She failed to procure a conviction.

Now her latest move is to make her first husband support her. Mrs. Mary Reece Waits is said to be financed in her fight against Waits by San Francisco parties.

REGISTER NOW OR YOU WILL LOSE YOUR VOTE.

The registration of voters for the election on November 8th will close on September 28th and all who have not registered since January 1st of this year must do so before that date or be debarred from voting at the general election.

Those who have moved to a different precinct since their registration must have their change of residence recorded not later than October 13th or they will likewise be debarred from voting.

There is a comparatively large number of voters in San Mateo county who have not yet registered, and it is important that they should not fail to attend to this duty. Only seven days yet remain for registration.

County Clerk Nash has deputies in every city and town in the county who will see that you are properly enrolled. Or you may call at his office at the courthouse.

POWER COMPANY'S CABLES BLOCK CREEK NAVIGATION.

A serious mistake was made by the San Francisco and Sierra Power Company in erecting its cables along the marshes near this city. The law provides that in crossing navigable streams such cables shall be not less than 120 feet above mean high water. When the City of pete came in from the bay last Friday with a cargo of codfish for the Alaska Codfish Company it was found that the masts of the vessel were some ten feet higher than the cable. Had the ship come in contact with the highly charged wires great damage would have reuslted, probably loss of life and the loss of the vessel by fire It was necessary to bring down a force of riggers from the city to remove the vessel's topmasts before she could proceed to the dock of the codfish company.

Dick Jury's Good Fortune.

The many friends of ex-Assemblyman Dick Jury will be pleased to learn that he has met with good fortune since his departure from this county. Mr. Jury has filled a number of important commissions as a newspaper and magazine correspondent, his work including a series of articles on the Panama canal. During the taking of the census he was the supervisor of one of the San Francisco districts and on the completion of that work he was made the representative of an extensive eastern law book concern and will shortly leave for Oklahoma where he will establish headquarters and handle the company's business in a large surrounding territory. Jury is an able man and deserving of success.

ONEHUNDRED ACTORS IN "KATZENJAMMER PICNIC".

The Native Sons and Daughters with Mrs, Payne and one hundred other ladies and gentlemen, are working night and day to make the "Katzenjammer Picnic" at the Alhambra Friday evening, the 30th instant, a social triumph. Nothing will be lacking in making the event a red letter day in the lives of those who attend. People who have the blues, will have a chance to laugh their sorrows away, as the piece is bright and full of sparkling comedy and catchy music. The audience will not only enjoy an evening of good clean amusement, but will help along a good cause. The proceeds of this entertainment will be used towards procuring homes for orphan children, this is one of the grandest charities and every one will be only too anxious to do his or her share.

E. E. O'KEEFE, Editor and Proprietor

Once again let us remark—if Redwood City is a good place to earn your money it is also a good place to spend your money and you can do as well here as anywhere at either.

The carpenters' union has shown that Redwood City has the right brand of organized labor. Now let the others follow their example and we will have the shoe factory running and paying out wages in no time.

The office of Sheriff requires a man in the full vigor of life, one who still retains the activity of youth. Bob Chatham possesses these atributes to the fullest degree, and he will be retained in the office which he has well filled for the past four years.

The new bridge at the foot of East Bradford street, upon which work has just been commenced, will open up another avenue to the most available factory sites on the Peninsula. Redwood City has the facilities, all she needs is something to push them along.

NATIVE SONS AND DAUGHTERS GREAT PICNIC

Everything will be in readiness. Don't fail to come to the "Katzenjammer Picnic" next Friday night. You will be sorry if you miss it. All the best local talent in the city assisting. The curtain never comes down; one continuous performance. The following is the program and cast of characters:

Coming to the Front

Under its new management the Bell Theatre is fast taking its place as one of the leading places of amusement on the Peninsula. Comfortably seated and well ventilated, every possible care is taken for the comfort of its patrons, while the two rear exits removes any fear of danger in case of the scarcely possible accident of fire. At the same time an excellent quality of moving pictures are being shown, of a character suitable to be enjoyed by people of all ages. Care is taken to exclude all films of a possibly objectionable character. With two shows every evening and an entire change of program four times each week, the people of Redwood City are afforded a place of almost constant entertainment.

Sure Go This Time

The Mish Co. failed to put in an appearance last Sunday but sent the Moss Beach boys instead. The latter came quite prepared to carry away the honors of the day and their pitcher was equal to the best that has visited us this season. They were somewhat disappointed, getting but one run to Redwood's six. Next Sunday the Mish Company will be with us. Having defeated their substitutes last Sunday, they are determined to carry away the victory and a close and most interesting game may be looked for. Thiele will be in the box, and some of his "bullets" will cross the plate.

SUPERVISORS HOLD REGULAR MEETING

Fix Annual Tax Rate and Make New Provisions for the Protection of Game

The board of supervisors held an important session last Monday. The fixing of the tax rate for the fiscal year consumed much time. The rate was fixed at $1.62 on the $100 a reduction of 3 cents over last year

A. G [illegible] was granted permission to remove his liquor license from his present quarters at Colma to a building near by owned by him.

In pursuance of the provisions of Section 3805 of the Political Code of the State of California, Tax Collector J. L. Debenedetti presented to the Board certificates showing certain erroneous or double assessments

The tax collector requested in said certificates that the board order the above erroneous or double assessments, and erroneous sales to the state to the above-named persons, cancelled as provided in Section 3805 of the Political Code.

On motion of Supervisor Casey, seconded by Supervisor Blackburn, it was ordered that the request of the tax collector be granted and said corrections and cancellations made.

Dennis Quillinan resigned as fire commissioner of the Vista Grande fire district and Herbert Segor appointed to fill the vacancy.

A communication was received from the State Board of Equalization, notifying the board that the state tax rate fixed by that body was 32.3 cents to which is added 3 cents for the State University.

The following estimate of the tax rates required for the year was received from Auditor Underhill:

To the Honorable Board of Supervisors of San Mateo County—Gentlemen: I herewith submit an estimate of the tax rates necessary to be levied to pay the demands for the ensuing year on the following funds, viz.:

C. N. Kirkbride and Prof. O. A. Johnson addressed the board on behalf of the San Mateo High school, asking the board to adopt the vote given by the auditor. Additional money was needed owing to the increase of pupils.

But one bid was received for repairing the Middlefield road bridge across the San Francisquito creek, that of A. N. Mills of Palo Alto, whose estimate was $347.

Chairman McEvoy stated that as the work is to be jointly paid for by the county and the City of Palo Alto he asked that the matter of awarding a contract be submitted to him so that he might confer with the Palo Alto authorities.

Geo. C. Ross presented the board with deeds of easement from property owners on Avy avenue, University Heights, and asked that those roads be declared public highways. Mr. Ross stated that both avenues connected with Upland avenue running from the Alameda de los Pulgas and with the three avenues a direct route may be had into Portola.

Edgar Humphreys, Prof. Dodge, and F. F. Moulton testified that the two avenues had been used as public roads for a number of years.

McEvoy stated that he would be willing to accept the avenues providing certain structures were removed from Upland avenue. After much discussion the matter was referred to McEvoy to report at the next meeting.

A communication was received from H. S. Crocker & Company offering to construct a steel grill around the counter in the tax collector's office for $295. The bid was accepted on motion of Blackburn, seconded by McEvoy.

The National Electric Company offered to install 51 vulcanized instruction plates at the different electric switch boards for $49, which offer was accepted.

Certain streets in the Coleman tract, near Menlo Park, were ordered closed by the board.

Geo. H. Irving, owner of the tract presented a new map and same was accepted.

Chairman McEvoy explained the necessity of taking water from the property of Edw. F. Fitzpatrick for sprinkling the roads of his district and was granted permission on motion of Blackburn, seconded by Francis to purchase and lay two miles of two-inch pipe for that purpose.

After considerable discussion the tax rate fas fixed as follows:

ORDINANCE No. 96

An Ordinance for the Removal of Poison Oak in the Town of Redwood City.

The Board of Trustees of the Town of Redwood City do ordain as follows, towit:

Section 1. Poison Oak growing on any lands within the corporate limits of the Town of Redwood City is hereby declared to be a public nuisance.

Section 2. All owners of land within the corporate limits of the Town of Redwood City upon which poison oak is growing are hereby required to dig up or destroy all poison oak on their respective lands and to keep said lands free and clear therefrom.

Section 3. In the event of the refusal, neglect or failure of any owner of land within the corporate limits of the Town of Redwood City to dig up or destroy all poison oak growing on his said land or premises, or keep his land clear therefrom, then it shall be the duty of the Town Marshall of said town to notify with written notice said owner to remove or dig up or destroy all poison oak on his said land or premises within ten days after service of said notice.

Section 4. Said notice shall be served on the owner of said land in the same manner as is provided by law in the State of California for the service of summons in civil actions commenced in the Superior Court, provided however, in case of service of said notice by publication, no order of publication from any judicial officer of said notice need be obtained, and, furthermore, publication in some newspaper of general circulation for three weeks, at least once a week, shall be deemed sufficient notice in those cases where publication of said notice is necessary.

Section 5. In the event of the failure of any owner of lands as aforesaid to remove or destroy or dig up all poison oak growing on his lands or premises within ten days after service of said notice, it shall be the duty of the Town Marshall of said town to cause said nuisance to be at once abated by destroying, removing or digging up the poison oak from said lands or premises and the expense thereof shall be a Town charge, and the Board of Trustees shall allow the same out of the general fund of the Town of Redwood City.

Section 6. Any and all sums so expended, together with all costs of enforcing the collection thereof and attorney's fees, shall be and become a lien on the said land and premises from which said poison oak has been dug up or removed or destroyed in pursuance of this ordinance and may be recovered by an action against said land and premises. Said action to forclose all such liens shall be brought in the proper court in the name and for benefit of the said Town of Redwood City, and when judgment is obtained the same shall be enforced under the order of said court, and only so much of said property shall be sold as will be required to satisfy said lien, costs and attorney's fees, and at such sale the person who will take the least quanity of land, and then and there pay the amount of said lien, costs and attorney's fees, shall become the purchaser. In case there is no purchaser for said property, when offered for sale, then the same shall be struck off to the Town of Redwood City as purchaser. Except as herein otherwise provided the proceedings under this ordinance shall conform to the provisions of chapter I, Title IX, Part II of the Code of Civil Procedure of the state of California.

Section 7. This ordinance shall be published once in the Times-Gazette, a newspaper published and printed in the town of Redwood City, and shall take effect and be in force from and after its passage.

Introduced August 1, 1910.

Passed and adopted as an ordinance of the Town of Redwood City, by the Board of Trustees of said Town at a regular meeting of said Board held on the 8th day of August, 1910, by the following vote:

Ayes and in favor of the passage of said ordinance, Trustees Brown, Hynding, Sampson, Merrill.

Noes and against the passage of said ordinance, none.

Absent, Trustee Carl Beeger.

GEO. A. MERRILL,
President of the Board of Trustees of the Town of Redwood City.

Attest: G. C. Plump,
Clerk of the Town of Redwood City.

I hereby approve the foregoing ordinance this 8th day of August, 1910.

GEO. A. MERRILL,
President of the Board of Trustees of the Town of Redwood City.

REMINISCENSES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

On the evening of Sunday, April 25, 1876, the usually quiet town of Pescadero was thrown into a fever of excitement by the commission of an almost unprovoked murder on its streets, a slight dispute resulting in the killing of Charles Johnson, a youth just passed 23 years of age, by a companion a few months his junior known as Augustus Haskins. The two young men had been together during the greater part of the day and late in the afternoon something of a dispute started between the two as to their ability at breaking horses. This was continued for some time and as the two mounted preparatory to returning to their homes near the town Haskins was heard to say to Johnson, "I'll bet you $100 that I can bring you a horse from my father's ranch that you can't break," to which Johnson made some jocular reply. Haskins displayed some coin which he offered to put up as an evidence of his wager, and in almost the same moment drew a revolver and fired at Johnson, the two then being on the ground and some few yards apart. As the shot was fired Johnson staggered toward his assailant and then turned back the other way, and as he turned, a friend in the crowd, which had gathered remarked to him, "Charlie, I guess you are pretty badl yhur." "Oh, no, I'm not hurt," he answered, but had no more than uttered the words than he fell to the ground and expired without another utterance. As soon as he had fired the fatal shot Haskins mounted his horse and fled from the town. The sheriff happened to be in the vicinity and within a very short time was in pursuit of the fleeing murdeder, who was finally captured at Hayward's Mill, about three miles from Pescadero, and lodged in the county jail. He made no attempt to deny the shooting but put up the claim that he had been attacked first by Johnson. Johnson had worked about the ranches in the vicinity of Pescadero for a number of years and bore a good reputation. He was a member of the Pescadero Lodge of Odd Fellows, and his funeral was held under the direction of that organization. The event cast a gloom over the community and the celebration of the anniversary of the Odd Fellows which had been planned for the next day was postponed.

There was but little interest in town politics this year, and there was but one ticket for town officers of Redwood City in the field. The officials selected were: J. Crowley and William Holder, trustees; P. Doyle, marshal; W. Whitlock, assessor; George W. Fox, treasurer. Of these all had served the town during the previous year except Mr. Holder. Although but one ticket was in the field 109 votes were cast.

On the 15th day of May, 1875, James Crowe secured the exclusive control of the undertaking business of Redwood City, and vicinity, which he has ever since held. On that date he completed a deal with Turner & Son, who had been his business opponents for some time, by which he purchased all of their business in that line.

Apparently the Town Trustees were inclined at this time to deal somewhat liberally with the Southern Pacific Railway people, as it seems to be indicated by the following report of the proceedings of the board: "A resolution was adopted by a unanimous vote of the board allowing the Southern Pacific Railroad Company to erect and maintain a passenger depot on the westerly side of Arguello street on the strip of land set aside as a sidewalk, the same to be constructed so as not to extend beyond the line of the sidewalk."

The Fourth of July this year falling on Sunday, the National Holiday was observed throughout the county on Monday. In Redwood City the celebration, while as enthusiastic as usual, was rather quietly observed. While there was less racket than usual there was the usual parade and literary exercises and a dance for the young folks in the evening. The main features of the parade were the firemen and Turners, both turning out in goodly numbers, and a large float representing the states of the Union and the Goddess of Liberty. At the hall the oration was delivered by H. N. Nutting, Rev. E. J. Gray officiating as chaplain of the day. At Pescadero there was a more enthusiastic celebration, the whole coast side joining. A. P. Thompson was grand marshal and managed the affair of the day. In the evening there was a splendid exhibition of fireworks. The afternoon was spent in a picnic at Week's grove, where the ladies of the town served dinner to all comers.

Evidently Redwood City at this time was a growing town, making rapid strides in the increase of its population. The first week in July, H. N. Nutting, acting a school census marshal made a complete census of the population of the town. He found the total population of the town to be 1380. T here were 641 school children between t he ages of 5 and 17. This indicated that the population had increased 220 during the year that had passed, which would seem to be a rather good proportionate showing.

At the meeting of Metamora Tribe of the Improved Order of Red Men on the evening of July 8, new Chiefs for the coming year were raised up as follows: M. Preble, sachem; S. Walker, senior sagamore George Jacobus, junior sagamore; J. Turner, chief of records; A. Underhill, keeper of wampum; G. Plump, F. Botch and J. Crowe, as trustees.

Early on the morning of July 27, this town suffered another severe loss from fire, the large new warehouse of Hanson, Ackerson & Co., located on the banks of the creek being entirely destroyed together with its contents consitsing of a large quantity of grain and hay, the greater part of which was on storage. The fire was first noticed about 2 o'clock in the morning by one of the young children of Peter Leathers, who was awakened by the light of the flames, which were then pouring out of the dormer windows of the building in great bursts. The firemen as usual responded promptly to the alarm, but the fire had made such headway before its discovery that it would have been impossible to have saved the building with the best fire department then known to the state. There was but little water in the creek, but the best use was made of what was available, mainly in the way of saving surrounding property. A large sloop was moored near the warehouse and several times this was on fire, but the efforts of a bucket brigade, the members of which scooped up nearly as much mud as water from the bottom of the creek, this was saved from serious damage. The total loss from the fire was estimated at the time as being something over $20000, with a very small insurance, as practically all of the stored grain and hay was uninsured. The cause of the fire was never definitely ascertained, though it was genedally supposed to have been of incendiary origin. No one was in the building at the time, nor had there been since early in the evening of the day before, as far as was known, and the only other theory possible was spontaneous combustion which was not considered as probable.

LARGEST GAME FISH.

The Tuna Sometimes Attains a Weight of 2,000 Pounds.

Charles Frederick Holder, the California naturalist, thus describes that remarkable fish, the tuna: "The tuna is a pelagic fish, a free lance, an ocean rover, a sort of swaggering musketeer of the sea, the largest of what may be termed the game or bony fishes, attaining a maximum weight of nearly 2,000 pounds and an approximate length of fourteen feet or more. Such a fish is very exceptional, though specimens weighing 1,500 pounds have been taken on the New England coast. I once entered a school of such tunas in the Santa Catalina channel in a big launch. The school divided to port and starboard as we passed through it, and I had a view of one or two fishes that appeared to be more than half as long as the boat.

"These fishes spend the winter in warm latitudes and migrate north as far as the mouth of the St. Lawrence. They are found in the Mediterranean and north to the Loffoden island, yet so far the efforts of anglers, except at Santa Catalina, have failed to take them with the rod. Even here there is a stretch of but eight miles or so where they can be satisfactorily played and taken with rod and reel.

"This region lies on the north side of Santa Catalina, from Avalon to Long point, and to the east as many more, facing the north, and generally smooth—more like a Scottish loch than a fishing ground twenty miles out at sea."—Chicago News.

THE FRENCH DUEL.

Tricks That Are Invoked to Make the Meeting Bloodless.

A French paper has been describing the various contrivances to insure pistol duels ending in "coffee for two." A favorite trick, it seems, is to use projectiles that look like ordinary lead bullets, but crumble to pieces when fired. In more serious cases bullets are used of smaller caliber than the pistol, thus lessening their penetrating power.

Sometimes the wad is intentionally left out, so that when the duelists face each other with the pistols held downward the bullets roll out. In many cases bullets of the right caliber are used, but only with a third of the proper powder charge, so that they are practically harmless. A variation of this trick is to load with a double powder charge, which also causes the bullets to go wide of the mark. This, however, is dangerous to the spectators.

Again, well meaning seconds sometimes use the right bullets and the right charge, but stiffen the triggers so that the extra pressure causes the bullets to go wide. Perhaps the most amusing device is the use of pistols fitted with a sort of secret safety valve, which opens when the weapon is loaded, so that the bullet drops out and only the powder charge remains.—Exchange.

A Drop In Rhetoric.

"I remember," said an official of the East Indian service, "the speech of an Anglo-Indian who was delegated by a certain district to place before the government's notice the horrible slaughter of their stock by tigers. A very noticeable titter could be heard in the audience when the delegate shouted very dramatically:

"'Mr. Chairman, the tiger is the most ferocious animal that prowls and runs at large in India. He creeps from his lurking place at the hour of midnight, when all nature is locked in the arms of Morpheus, and ere the portals of the east are unbound or bright Phoebus rises in his golden majesty whole litters of pigs are destroyed.'"

The Cat and the Tail.

Once upon a time a cat who prided herself on her wit and wisdom was prowling about the barn in search of food and saw a tail protruding from a hole.

"There is the conclusion of a rat," she said.

Then she crept stealthily toward it until within striking distance, when she made a jump and reached it with her claws. Alas, it was not the appendage of a rat, but the tail of a snake, who immediately turned and gave her a mortal bite.

Moral.—It is dangerous to jump at conclusions.

Hotel Insurance Against Robbery.

At a well known hostelry in Venice it is the practice to charge guests 25 centimes per diem for insurance against fire and robbery, the amount covered for this premium being 1,500 francs. This is a very convenient arrangement, as robbery is far from uncommon in Italy.—London Truth.

A Pugilistic Feat.

"What're ye comin' home with your milk pail empty for?" demanded the farmer. "Didn't the old cow give anything?"

"Yep," replied the chore boy, "nine quarts and one kick!"—Exchange.

Refusing the Cure.

"Cultivate the acquaintance of women if you can," said the woman to the girl. "Surround yourself by women. They are certain protection against calumny. Women who have many women friends are never so awfully much talked about. It's policy."

"Is that what you have done?" asked the girl quietly.

"No," answered the woman. "You know it isn't. I'd rather be dead than to have to associate with women."—New York Press.

BLOCKADED

Every Household in Redwood City Should Know How to Resist It.

The back aches because the kidneys are blockaded.

Help the kidneys with their work.

The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from Redwood City.

Mrs. A. H. Lanfear, Heller and Chestnut streets, Redwood City, Cal., says: "We consider Doan's Kidney Pill an excellent remedy and can give them the strongest recommendation. About three years ago they were first used in our family, when we lived in Buffalo, N. Y. Their use in my case brought prompt and positive relief from pain and lameness in the back and other distressing difficulties due to weak kidneys. To say the least, the results were gratifying. Another person in oui household who suffered from backache found Doan's Kidney Pills very effective and has ussd them off and on since then with good results."

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

San Mateo

Extensive preparations are being made for the garden fete to be given Saturday afternoon in aid of the Red Cross Hospital and the children's play ground, and several special features will be introduced. One of the most attractive of these will be the model children's play ground, in charge of Mrs. J. O. Lincoln and Mrs. J. P. O'Brien. The fete is to be held at the home of Judge Brown on Baldwin avenue.

The town trustees of Hillsborough have levied a municipal tax of $1 on each $100 valuation, which is expected to produce an income of nearly $30000. Much of this money will be spent in the improvement of the Crystal Springs road under the agreement made with the county at the time of incorporation. At the same time the trustees were not at all nigardly in the matter of salaries, the compensation of the town clerk being fixed at $1200 a year, while the treasurer will receive $500 a year for caring for the town funds, and the legal advice of the town attorney is estimated to be worth $600 a year. Although the marshal is not expected to do police duty he will receive $300 a year.

But two of the seven bonding propositions submitted at the special election Tuesday received a sufficient majority to become affective, those for sewers and the fire department. The vote cast was very light, hardly equalling two-thirds of that cast at the last town election. By many it is claimed that disgust with the present poor water system was the cause of the defeat of the bond issues, and an attempt is to be made to bond the city for a municipal water system.

Members of San Mateo Council, Knights of Columbus, are making preparations to celebrate Columbus Day, October 12th, with a grand ball.

Arrangements are complete for the ball to be given in aid of the fund for homeless children by San Mateo Parlor, N. S. G. W., and Monte Robles Parlor, N. D. G. W. on the evening of October 8th.

Burlingame

Following are the new officers of the fire department, selected since the reorganization: M. Vincent, chief; C. Metler, assistant; G. N. Anderson, secretary. The members of Chemical Co., No. 1, will give a banquet to the Town Trustees on Tuesday evening.

The Town Trustees have fixed the tax rate for municipal purposes at 75 cents, with an additional 2 cents for the library.

The Trustees have determined to accommodate the public, and incidentally help out the town revenue by renting the town hall forgeneral public occasions and have fixed up a schedule of rates. For afternoons the rate will be $1.50, and for evenings the first two hours will cost $3.00 with $1.00 added for each extra hour.

Burglars got in a good haul last Sunday evening, entering the residence of C. E. Sudden and carting off valuables and money to the tune of several hundred dollars. Unsuccessful attempts were also made at other places.

Colma

A. Frankle has returned home after a vacation of four months.

Members of the Royal Neighbors were pleasantly entertained by Mrs. Nellie LaFontaine on Friday evening.

Borne, at Hillcrest, September 11, to Mr. and Mrs. W. Nelson, a daughter.

Members of the Civic Betterment League and a few invited guests enjoyed a pleasant smoker Tuesday evening.

Last Sunday afternoon the new chemical engine purchased for fire company No. 3, was given its trial test. Everything worked satisfactorily.

The drum corps of the Colma-Vista Grande Aerie, Fraternal Order of Eagles, will give a ball on the evening of October 8th, at the Knowles Hall.

San Bruno

The local Camp of Woodmen of the World gave a pleasant stag party on Friday evening of last week. There was a goodly number present and all report having a good time.

On next Sunday evening, September 25th, there will be a grand sacred concert at the San Bruno Catholic church, under the direction of the San Bruno Council of Young Mens Institute. This concert takes the place of the entertainment usually given in this parish on Labor Day.

The San Bruno Republican Club seems to be settling down to business again after the late "runction." At the meeting last week President Edwards announced the following as the members of the new executive committee: W. C. Henry, E. Linez, E. J. McGuire, A. Gillespie, G. Hartway and A. N. Smith.

Miss Olive Grady has been appointed as an assistant in the postoffice.

H. Green is having plans prepared for a new residence in the Third addition.

South San Francisco

City Clerk Smith is rejoicing over an increase in his salary, which was given a boost from $450 to $540 a year. A satisfactory reversal of figures, to him at least.

City Engineer Waggoner has completed his preliminary plans for a main sewer system for the town. He estimates the total cost of the proposed system at $39000. The plans call for two main outlets, one from Spruce avenue and one from second avenue.

The cottage being erected for Mr. Besters by the Montara Construction Company is about completed, and ready for occupancy. The owner will soon be here to occupy it and start in his business of raising chickens and pigeons.

The Montara Welfare Club has elected the following os its officers: P. M. Schaible, president; E. R. Ellis, vice president; David Young, secretary; J. L. Kent, treasurer. The affairs of the club are in a prosperous condition and the members are boosters every day.

The last meeting of the Ladies' Embroidery Club was held with Mrs. Henderson, who entertained the members with a Chinese luncheon.

Farallon

The Pioneer Club had a pleasant time at its last meeting, closing with a social dance. They are making big preparations for their dance to be given on the evening of October 8th.

A petition is being circulated asking that Mrs. Madler be appointed as postmistress here, in the place of Mr. Potts who has been gone for some time. Mrs. Hadler is preparing to open her new tsore.

Karl Barler has purchased the lot and building of Mr. Savage and will home.

J. H. Fowler is making extensive improvements on his ranch, preparatory to engaging in the poultry business on a considerable scale.

E. R. Mitchell has been awarded a contract to lay about 2000 feet of sewer in Princeton.

The new residence of L. A. Dugdale is now completed and is a decidedly handsome home.

On Sunday of last week the boys of the Moss Beach base ball club traveled to the Veterans Home at Yontville and got beat, though by a close score.

Pescadero

The Grand Ball given in Union Hall last Saturday evening was a grand success. This ball was given by the United Five orchestra, which is composed of Prof. Fred. Lindstrom, cornet; Miss Euno Broadwell, pianist; Miss C. Broadwell, violin; Miss Caroline Littlefield, violin; Tony George, drums.

Bert Gilbride and a party of friends are camping at the mouth of the creek.

Maria is moving from San Gregoria onto one of the L. Coburn ranches.

Both Williamson and McCormick & Son are receiving a large quantity of merchandise nowadays.

TOWN TRUSTEES AVOID LITIGATION

Diplomacy Aavoids Threatened Legal Contests Over Phelps Street Extension.

But little outside of routine business was transacted at the regular meeting of the City Council last Monday evening, and this was evidently expected by the general public for there was almost an entire absence of the usual crowd of spectators. A matter of pleasing interest to the general public, however, wa these announcement by Mayor Merrill that an amicable settlement had been arrived at with all of the owners of property affected by the extension of Phelps street, and that in all probability deeds for the various piece sof property would be presented at the meeting next Monday evening. Thus by judicious diplomacy the Trustees have avoided what at one time threatened to involve the city and property owners in vexatious and delaying legal action s which of necessity would have resulted in no small expense to the city as well as serious delay.

All of the Trustees were present when Chairman Merrill called the meeting to order and directed the clerk to proceed with the order of business.

The usual monthly reports of the city officers were presented and approved. The report of Treasurer Towne indicated that there was a balance of $6434.61 in the general fund. The receipts for the month were as follows: Water rates, $907.93, dog licenses, $6.00; special permits, $6.00; water connections, $200; sewer connections, $25. The expenditures for the month amounted to $3,033.27. In the library fund the expenditures for the month were $295.81, leaving a balance in the fund of $874.12.

The San Francisco & Sierra Power Company was granted permission to construct a small locker in the old shed on the city dock at the end of the deep water road. The locker is to be used for the storage of small articles needed by the company's line patrol.

A formal permit from the United Gas & Electric Co. for the use of poles for the fire alarm system was presented and filed with the thanks of the Council.

A communication was presented from H. A. Carroll of San Francisco, a property owner, protesting against the proposed improvement of Main street from the old bridge to Franklin street, he holding that to improve that portion of Main street without its extension to the County Road would be an injustice. The protest occasioned considerable discussion as to the best method of proceedure. While it was generally admitted that residents of that section were entitled to some direct means of reaching the County Road, the strong sentiment was rather for an extension to connect with Vera avenue. This has been in contemplation for some time, but delay is caused by an inability to reach some of the property owners affected. No definite action was taken but the matter will be given further consideration later.

Still there appears to be no great

Blackburn stated that in May of last year C. Coghill had been awarded a contract to construct a bridge at San Gregorio in his township at a cost of $2460. He had not performed the work and the supervisor was informed that he had left the country. The bridge was in a dangerous condition. Supervisor Blackburn moved that the contract be annulled and that the clerk advertise for a new contract. The motion was seconded by Casey and carried.

A resolution was adopted on motion of Blackburn, seconded by Francis, authorizing the employment of a stenographer and copyist for the clerk's office at a monthly salary of $75 to be paid out of the salary fund.

New Suits are Filed

W. H. Crocker has brought suit in the superior court against Rosa Scott Stierlen and George Stierlen to secure possession of lot 3, blk 12, Dingee Park. The defendants violated the terms of their contract in erecting a $2000 residence on the property which according to the agreement they should not have done until July 1st, 1920. Plaintiff asks that the property be re-conveyed to him and in the failure of defendants to do so that they be ousted.

The civil suit of George F. Witter Jr., against Mrs. Josephine A. Phelps that was filed in the superior court of San Francisco on May 1st, 1908, has been transferred to this county for trial. Plaintiff seeks damages in the enormous sum of $100,000 for a breach of contract, growing out of the settlement of the T. G. Phelps estate. Witter was one of the heirs.

Thomas H. Breeze of Fair Oaks, has brought suit in the superior court against the Bear Gulch Water Company to enjoin the latter from shutting off his water supply there. There is a disputed bill between the litigants amounting to $90 and plaintiff asks that the water be continued until same is adjusted. Breeze contends that the rate of the water company is unrasonable and excessive owing to false valuation of the land and properties owned by the company.

Will be Independent

Supervisor D. E. Blackburn on Thursday filed his petition as an independent candidate for supervisor of the fifth township. He had a large number of signers on his petition. Mr. Blackburn is to make a vigorous campaign for the office which he has filled for the past four years with credit to himself and to his constituents. The roads in his district are as good as any in the county and in many instances much better. At the meetings of the board he has shown himself to be wideawake, quick to grasp every question pertaining to the betterment of the county. The voters of the fifth township will do well in retaining him in office.

NOTICE TO VOTERS

Notice is hereby given to the electors of the State of California that the following acts will be submitted to the people of the State of California for their ratification at the next general election, to be holden on the eighth day of November, A. D. 1910, to wit:

SENATE BILL NO. 485.

Passed the Senate, March 8, A. D. 1909. Lewis A. Hilborn, Secretary of the Senate.

Passed the Assembly, March 15, A. D. 1909. Clio Lloyd, Chief Clerk of the Assembly.

This bill was received by the Governor this 19th day of March, A. D. 1909, at 11 o'clock A. M. E. C. Cooper, Private Secretary of the Governor.

CHAPTER 320. *An act to provide for the issuance and sale of state bonds to create a fund for the improvement of San Francisco harbor by the construction by the board of state harbor commissioners of wharves, piers, state railroad, spurs, betterments, and appurtenances and necessary dredging and filling in connection therewith in the city and county of San Francisco; to create a sinking fund for the payment of said bonds; to define the duties of state officers in relation thereto; to make an appropriation of five thousand dollars for the expense of printing said bonds; and to provide for the submission of this act to a vote of the people.*

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the erection of wharves, piers, seawall, state railroad, spurs, betterments and appurtenances and necessary dredging and filling in connection therewith in the city and county of San Francisco, at a cost not to exceed nine million dollars (which said wharves, piers, seawall, state railroad, spurs, betterments and appurtenances and necessary dredging and filling in connection therewith the board of state harbor commissioners are hereby empowered to construct and do in the manner, authorized by law, and at a cost not to exceed said nine million dollars), the state treasurer shall, immediately after the issuance of the proclamation of the governor, provided for in section 10 hereof, prepare nine thousand suitable bonds of the State of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of nine million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the date of issuance thereof, and both principal and interest shall be payable in gold coin of the present standard value, and they shall be payable at the office of the state treasurer, at the expiration of seventy-four years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date the second day of July, A. D. nineteen hundred and eleven, and shall be made payable on the second day of July, nineteen hundred and eighty-five. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the state treasurer on the second day of January, and on the second day of July, of each year after the sale of the same; provided, that the first payment of interest shall be made on the second day of July, nineteen hundred and twelve, on so many of said bonds as may have been theretofore sold. At the expiration of seventy-four years from the date of said bonds, all bonds sold shall cease to bear interest and likewise all bonds redeemed by lot shall cease to bear interest as in this act provided, and the said state treasurer shall call in, forthwith pay and cancel the same, out of the moneys in the second San Francisco seawall sinking fund provided for in this act, and, he shall on the first Monday of July, nineteen hundred and eighty-five, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer and the said bonds shall be so signed, countersigned and endorsed by the officers who are in office on the second day of July, 1911, and each of said bonds shall have the seal of the state stamped thereon. The said bonds signed, countersigned and endorsed and sealed as herein provided when sold shall be and constitute a valid and binding obligation upon the State of California, though the sale thereof be made at a date or dates after the person signing, countersigning and endorsing, or any or either of them, shall have ceased to be the incumbents of such office or offices. Each bond shall contain a clause that it is subject to redemption by lot after the year nineteen hundred and fifty.

SEC. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to, or mutilation of the bond. Said coupons shall be consecutively numbered, and shall bear the lithographed signature of the state treasurer who shall be in office on the second day of July, 1911. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser, unless such accrued interest shall have been, by the purchaser of said bond, paid to the state at the time of such sale.

SEC. 3. The sum of five thousand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the San Francisco harbor improvement fund on controller's warrants, duly drawn for that purpose.

SEC. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the board of state harbor commissioners, and approved by either the governor of the state or mayor of the city and county of San Francisco, who shall only approve the same when in their judgment the actual harbor receipts, and those reasonably anticipated, will justify such sale of bonds and the consequent increased burden on harbor receipts; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and he may, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for such sale. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expenses and cost of such additional notice shall not exceed the sum of five hundred dollars ($500.00) for each sale so advertised. The cost of such publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose. The proceeds of the sale of such bonds except such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "Second San Francisco Seawall Fund" and must be used exclusively for the construction of wharves, piers, seawall, state railroad, spurs, betterments and appurtenances and necessary dredging and filling in connection therewith on the water front of the city and county of

San Francisco. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Francisco harbor improvement fund. The amount that shall have been paid at the sale of said bonds as accrued interest on the bonds sold shall be, by the state treasurer, immediately after such sale, paid into the treasury of the state and placed in the "Second San Francisco Seawall Sinking Fund."

SEC. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "Second San Francisco Seawall Sinking Fund" shall be, and the same is hereby created, as follows, to wit: The state treasurer, after the second day of July, nineteen hundred and twenty-nine, shall on the first day of each and every month thereafter, after the sale of said bonds, take from the San Francisco harbor improvement fund such sum as, multiplied by the time in months, the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said San Francisco harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the second San Francisco seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the State of California, or of the several counties or municipalities of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Francisco harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners are hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the State of California. Between the first and tenth day of May, in the year nineteen hundred and fifty-one and between the first and tenth day of May of each year thereafter until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of June following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of July, following, and that from and after such last named date, all interest upon bonds thus drawn shall cease, and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same, and the interest coupons thereon, and each year beginning with the year nineteen hundred and fifty-one, the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereinabove stated. After the payment of all said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco harbor improvement fund. At the time of the respective drawings by lot, as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.

SEC. 6. The state controller and the state treasurer shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 7. It shall be the duty of the state treasurer to pay the interest of said bonds, when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

SEC. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, nineteen hundred and ten, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

SEC. 9. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be holden in the month of November, nineteen hundred and ten, and all ballots at said election shall have printed thereon and at the end thereof, the words, "For the San Francisco Harbor Improvement Act of 1909," and in the same square under said words the following, in brevier type: "This act provides for the improvement of San Francisco harbor and for the payment of all costs thereof out of San Francisco Harbor Improvement Fund." In the square immediately below the square containing said words, there shall be printed on said ballot the words: "Against the San Francisco Harbor Improvement Act of 1909," and immediately below said words "Against the San Francisco Harbor Improvement Act of 1909" in brevier type shall be printed "This act provides for the improvement of San Francisco harbor and for the payment of all costs thereof out of the San Francisco Harbor Improvement Fund." Opposite the words "For the San Francisco Harbor Improvement Act of 1909," and "Against the San Francisco Harbor Improvement Act of 1909," there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the San Francisco Harbor Improvement Act of 1909," and all those voting against the said act shall do so by placing a cross opposite the words "Against the San Francisco Harbor Improvement Act of 1909." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 10. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

SEC. 11. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, nineteen hundred and ten, the costs of publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for that purpose.

SEC. 12. This act may be known and cited as the "San Francisco Harbor Improvement Act of 1909."

SEC. 13. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

CHAPTER 383. *An act authorizing the construction, acquisition, maintenance and control of a system of state highways in the State of California; specifying the work, fixing the payments to be made by counties for moneys expended therein; providing for the issuance and sale of state bonds to create a fund for the construction and acquisition of such system; creating a sinking fund for the payment of said bonds; and providing for the submission of this act to a vote of the people.*

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. A system of state highways in and for the State of California shall be constructed and acquired as and in the manner provided by law by the department of engineering of said state at a cost not to exceed eighteen million dollars. For the purpose of providing for the payment of the cost of the construction or acquisition of said system of said highways, the State of California is hereby authorized to incur an indebtedness in the manner provided by this act in the sum of eighteen million dollars.

Immediately after the issuance of the proclamation of the governor, as provided in section 11 of this act, the treasurer of the state shall prepare eighteen thousand suitable bonds of the State of California in the denomination of one thousand dollars each, to be numbered from 1 to 18,000 inclusive, and to bear the date of the third day of July, 1911. The total issue of said bonds shall not exceed the sum of eighteen million dollars and they shall bear interest at the rate of four per cent per annum from the date of issuance thereof. The said bonds and the interest thereon shall be payable in gold coin of the United States of the present standard of value at the office of the treasurer of said state at the times and in the manner following, to wit: The first four hundred of said bonds shall be due and payable on the third day of July, 1917, and four hundred of said bonds in consecutive numerical order shall be due and payable on the third day of July, in each and every year thereafter until and including the third day of July, 1961. The interest accruing on all of said bonds that shall be sold shall be payable at the office of the treasurer of the state on the third day of January and the third day of July of each and every year after the sale of the same. The interest on all bonds issued and sold shall cease on the day of their maturity and the said bonds so issued and sold shall on the day of their maturity be paid as herein provided and canceled by the treasurer of said state. All bonds remaining unsold shall, at the date of the maturity thereof be by the treasurer of the state canceled and destroyed. All bonds issued pursuant to the provisions of this act shall be signed by the governor of this state, countersigned by the state controller and endorsed by the state treasurer, and the said bonds shall be so signed, countersigned and endorsed by the officers who are in office on the third day of July, 1911, and each of said bonds shall have the great seal of the State of California impressed thereon. The said bonds signed, countersigned, endorsed and sealed as herein provided, when sold, shall be and constitute a valid and binding obligation upon the State of California, though the sale thereof be made at a date or dates after the person so signing, countersigning and endorsing, or either of them, shall have ceased to be the incumbents of said office or offices.

SEC. 2. Appended to each of said bonds there shall be interest coupons so attached that the same may be detached without injury to or mutilation of said bond. The said coupons shall be consecutively numbered and shall bear the lithographed signature of the state treasurer who shall be in office on the third day of July, 1911. No interest shall be paid on any of said bonds for such time as may intervene between the date of said bond and the day of sale thereof, unless such accrued interest shall have been, by the purchaser of said bond, paid to the state at the time of such sale.

SEC. 3. There shall be provided in the general appropriation bill sufficient money to defray all expenses that shall be incurred by the state treasurer in the preparation of said bonds and in the advertising of the sale thereof, as in this act provided.

SEC. 4. When the bonds authorized by this act to be issued shall have been signed, countersigned, endorsed and sealed as in section one provided, the state treasurer shall sell the same in such parcels and numbers as the governor of the state shall direct, to the highest bidder for cash. The governor of the state shall issue to the state treasurer such direction immediately after being requested so to do, through and by a resolution duly adopted and passed by a majority vote of the advisory board of the department of engineering. Said resolution shall specify the amount of money which, in the judgment of said advisory board shall be required at such time and the governor of the state shall direct the state treasurer to sell such number of said bonds as may be required to raise said amount of money and that said bonds shall be sold in consecutive numerical order commencing with the first four hundred thereof. The state treasurer shall not accept any bid which is less than the par value of the bond plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date. The state treasurer may at the time and place fixed by him for said sale continue such sale as to the whole or any part of the bonds offered to such time and place as he may at the time of such continuance designate. Before offering any of said bonds for sale, the said treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for such sale. The state treasurer shall give notice of the time and place of sale by publication in two newspapers published in the city and county of San Francisco and in one newspaper published in the city of Oakland, and in one newspaper published in the city of Los Angeles and in one newspaper published in the city of Sacramento once a week for four weeks next preceding the date fixed for such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expenses and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised.

There is hereby created in and for the state treasury a fund to be known and designated as the "State Highway Fund," and immediately after such sale of bonds the treasurer of the state shall pay into the state treasury and cause to be placed in said state highway fund the total amount received for said bonds, except such amount as may have been paid as accrued interest thereon. The amount that shall have been paid at such sale as accrued interest on the bonds sold shall be by the treasurer of the state, immediately after such sale, paid into the treasury of the state and placed in the interest and sinking fund.

The moneys placed in the state highway fund, pursuant to the provisions of this section, shall be used exclusively for the acquisition of rights of way for and the acquisition and construction of said system of state highways. The route or routes of said state highways shall be selected by the department of engineering and said route shall be so selected and said highways so laid out and constructed or acquired as to constitute a continuous and connected state highway system running north and south through the state traversing the Sacramento and San Joaquin valleys and along the Pacific coast by the most direct and practicable routes, connecting the county seats of the several counties through which it passes and joining the centers of population, together with such branch roads as may be necessary to connect therewith the several county seats lying east and west of such state highway.

Moneys shall be drawn from said state highway fund for the purposes of this act upon warrants duly drawn by the controller of the state upon demands made by the department of engineering and audited by the state board of examiners.

SEC. 5. There is hereby appropriated from the general fund in the state treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds, issued and sold pursuant to the provisions of this act, as said principal and interest becomes due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the state as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collection of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

The treasurer of the state shall, on the first day of January, 1912, and on the first day of each July and the first day of each January thereafter transfer from the general fund of the state treasury to the interest and sinking fund such an amount of the money by this act appropriated as shall be required to pay the interest on the bonds theretofore sold, until the interest on all of said bonds so sold shall have been paid or shall have become due in accordance with the provisions of this act.

There is hereby created in the state treasury a fund to be known and designated as the "State Highway and Sinking Fund." The treasurer of the state shall on the first day of July of the year 1917, and on the first day of July, of each and every year thereafter in which a parcel of the bonds sold pursuant to the provisions of this act shall become due, transfer from the general fund of the state treasury to the said state highway sinking fund such an amount of the moneys appropriated by this act as may be required to pay the principal of the bonds so becoming due and payable in such years.

SEC. 6. The principal of all of said bonds sold shall be paid at the time the same becomes due, from the state highway sinking fund, and the interest on all bonds sold shall be paid at the time said interest becomes due, from the interest and sinking fund. Both principal and interest shall be so paid upon warrants duly drawn by the controller of the state upon demands audited by the state board of examiners, and the faith of the State of California is hereby pledged for the payment of the principal of said bonds so sold, and the interest accruing thereon.

SEC. 7. The state controller and state treasurer shall keep full and particular account and record of all their proceedings under this act and they shall transmit to the governor in triplicate an abstract of all such proceedings thereunder with an annual report in triplicate, one copy of each to be by the governor, laid before each house of the legislature biennially. All books and papers pertaining to the matter provided for in this act shall, at all times, be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature or a joint committee of both or any citizen of the state.

SEC. 8. The highway constructed or acquired under the provisions of this act shall be permanent in character and be finished with oil or macadam or a combination of both, or of such other material as in the judgment of the said department of engineering shall be most suitable and best adapted to the particular locality traversed. The state department of engineering, in the name of the people of the State of California, may purchase, receive by donation or dedication, or lease any right of way, rock quarry or land necessary or proper for the construction, use or maintenance of said state highway and shall proceed, if necessary, to condemn under the provisions of the Code of Civil Procedure relating to such proceedings any necessary or proper right of way, rock quarry or land. The department of engineering shall have full power and authority to purchase all supplies, material, machinery and to do all other things necessary or proper in the construction and maintenance of said state highway. With the exception of those public highways which have been permanently improved under county or permanent road division bond issues within three years prior to the adoption of this act; all public highways within this state lying within the right of way of said state highway as determined and adopted by the department of engineering shall be and the same shall become a part of the right of way of said state highway, without compensation being paid therefor; provided nothing herein contained shall require the state to maintain any highway along or on said right of way, prior to the completion or acquisition of the permanent improvements contemplated by this act. Whenever any money received from the sale of bonds, under the provisions of this act, shall be expended in any county in this state, such county must pay into the state treasury such sum each year as shall equal the interest, at the rate of four per cent per annum, upon the entire sum of money expended within such county in the construction of said state highway, less such portion of said amount expended as the bonds matured under the provisions of this act, shall bear to the total number of bonds sold and outstanding. All highways constructed or acquired under the provisions of this act shall be permanently maintained and controlled by the State of California.

SEC. 9. This act, if adopted by the people, shall take effect on the thirty-first day of December, 1910, as to all its provisions except those relating to, and necessary for, its submission to the people and for returning, canvassing and proclaiming the votes, and to such accepted provisions this act shall take effect immediately.

SEC. 10. This act shall be submitted to the people of the State of California for their ratification at the next general election to be holden in the month of November, 1910, A. D., and all ballots at said election shall have printed thereon, and at the end thereof, the words "For the state highway act"; and in a separate line, under the same, the words "Against the state highway act." Opposite said lines there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the state highway act," and all those voting against the said act shall do so by placing a cross opposite the words "Against the state highway act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 11. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers, and if it appears that said act shall have received a majority of all the votes cast for and against it at such election, as aforesaid, then the same shall have effect as hereinbefore provided and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof. But if a majority of the votes cast, as aforesaid, are against this act then the same shall be and become void.

SEC. 12. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, A. D. nineteen hundred and ten; the cost of publication shall be paid out of the general fund, on controller's warrants duly drawn for the purpose.

SEC. 13. This act shall be known and cited as the "State Highway Act."

SEC. 14. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

Passed the Senate, February 17, A. D. 1909. Lewis A. Hilborn, Secretary of the Senate.

Passed the Assembly, March 10, A. D. 1909. Clio Lloyd, Chief Clerk of the Assembly.

This bill was received by the Governor, this 15th day of March, A. D. 1909, at 3 o'clock P. M. E. C. Cooper, Private Secretary of the Governor.

CHAPTER 407. *An act to provide for the issuance and sale of state bonds to create a fund for the acquisition by the board of state harbor commissioners, of a necessary area for a tidal basin, for wharves, docks, piers, harbors and appurtenances, in the city and county of San Francisco; to create a sinking fund for the payment of said bonds; and defining the duties of state officers in relation thereto; making an appropriation of one thousand dollars for the expense of printing said bonds; and providing for the submission of this act to a vote of the people.*

The people of the State of California, represented in Senate and assembly, do enact as follows:

SECTION 1. For the purpose of providing a fund for the payment of the indebtedness authorized to be incurred by the board of state harbor commissioners for the acquisition of the necessary area for a tidal basin, extending the area of India basin, on the water front of the city and county of San Francisco, as provided in an act entitled: "An act to authorize and direct the board of state harbor commissioners to institute condemnation proceedings against certain property north of India basin, and extending to Islais creek in the city and county of San Francisco, and extending the jurisdiction of said board over the same, and providing for the payment of judgments from the proceeds of bonds issued and sold under the provisions of an act entitled 'An act to provide for the issuance and sale of state bonds to create a fund for the acquisition by the board of state harbor commissioners, of a necessary area for a tidal basin, for wharves, docks, piers, harbors and appurtenances, in the city and county of San Francisco; to create a sinking fund for the payment of said bonds; and defining the duties of state officers in relation thereto; making an appropriation of one thousand dollars for the expense of printing said bonds; and providing for the submission of this act to a vote of the people,'" the state treasurer shall, immediately after the issuance of the proclamation of the governor, provided for in section 10 hereof, prepare one thousand suitable bonds of the State of California, in the denomination of one thousand dollars each. The whole issue of said bonds shall not exceed the sum of one million dollars, and said bonds shall bear interest at the rate of four per centum per annum, from the time of the sale thereof, and both principal and interest shall be payable in gold coin of the present standard value, and they shall be payable at the office of the state treasurer, at the expiration of seventy-four years from their date, subject, however, to redemption by lot as in this act hereinafter provided. Said bonds shall bear date the second day of January, A. D. 1911, and shall be made payable on the second day of January, A. D. 1985. The interest accruing on such of said bonds as are sold, shall be due and payable at the office of the state treasurer, on the second day of January, and on the second day of July, of each year after the sale of the same; provided that the first payment of interest shall be made on the second day of January, A. D. 1912, on so many of said bonds as may have been theretofore sold. At the expiration of seventy-four years from the date of said bonds, all bonds sold shall cease to bear interest, and likewise all bonds redeemed by lot shall cease to bear interest, as in this act provided, and the said state treasurer shall call in, forthwith pay and cancel the same, out of moneys in the "India Basin Sinking Fund," provided for in this act, and, he shall, on the first Monday of January, A. D. 1985, also cancel and destroy all bonds not theretofore sold. All bonds issued shall be signed by the governor, and countersigned by the controller, and shall be endorsed by the state treasurer, and each shall have the seal of the state stamped thereon. Each bond shall contain a clause that it is subject to redemption by lot after the year nineteen hundred and thirty-nine.

SEC. 2. Interest coupons shall be attached to each of said bonds, so that such coupons may be removed without injury to or mutilation of the bond. Said coupons shall be consecutively numbered, and shall be signed by the state treasurer. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds, and the issue and sale thereof to a purchaser.

SEC. 3. The sum of one thousand dollars is hereby appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the "San Francisco Harbor Improvement Fund," on controller's warrants, duly drawn for that purpose.

SEC. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be sold by the state treasurer at public auction to the highest bidder for cash, in such parcels and numbers as said state treasurer shall determine; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered for sale, and he may by public announcement at the place and time fixed for the sale, for good and sufficient cause, continue such sale as to the whole of the bonds offered or any part thereof offered, to such time and place as he may select, not exceeding, however, sixty days. Due notice of the time and place of sale of all bonds, and of the postponement of sale thereof, must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. The costs of such publication shall be paid out of the "San Francisco Harbor Improvement Fund" on controller's warrants, duly drawn for that purpose. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "India Basin Fund," and must be used exclusively for the acquisition of the area described in the act referred to in section 1 hereof. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the "San Francisco Harbor Improvement Fund."

SEC. 5. For the payment of the principal and interest of said bonds a sinking fund to be known and designated as the "India Basin Sinking Fund" shall be, and the same is hereby created as follows, to wit: The state treasurer shall, on the first day of each and every month, after the second day of December, A. D. 1928, take from the "San Francisco Harbor Improvement Fund," such sum as, multiplied by the time the bonds then sold and outstanding have to run, will equal the principal of the bonds sold and outstanding at the time said treasurer shall so take said sum from said "San Francisco Harbor Improvement Fund," less the amount thertofore taken therefrom for said purpose; and he shall place the sum in the "India Basin Sinking Fund," created by this act. Said state treasurer shall, on controller's warrants, duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the State of California, or of the several counties or municipalities of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must always keep on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold; and to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the "San Francisco Harbor Improvement Fund," and pay into said "India Basin Sinking Fund," an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners is hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage, to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the State of California. Between the first and tenth day of November, in the year nineteen hundred and forty, and between the first and tenth day of November of each year thereafter, until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be, the amount in said sinking fund at that time, and shall thereupon and before the tenth day of December following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn, and that the principal of said bonds shall be paid on presentation to the treasurer on or before the second day of January, following, and that from and after such last named date, all interest upon bonds thus drawn shall cease, and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid, to cancel the same, and the interest coupons thereon, and each year beginning with the year nineteen hundred and forty, the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereinabove stated. After the payment of all said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the "San Francisco Harbor Improvement Fund." At the time of the respective drawings by lot, as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States bonds, or other bonds, then in said sinking fund, at governing market rates, after advertising the sale thereof, in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds, out of said money in said fund, in extinguishment of said bonds, on controller's warrants, duly drawn for that purpose.

SEC. 6. The state controller and the state treasurer shall keep full and particular account and record of all of their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 7. It shall be the duty of the state treasurer to pay the interest of said bonds when the same falls due, out of the sinking fund provided for in this act, on controller's warrants, duly drawn for that purpose.

SEC. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, A. D. nineteen hundred and ten, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

SEC. 9. This act shall be submitted to the people of the State of California, for their ratification at the next general election to be holden in the month of November, A. D. nineteen hundred and ten, and all ballots at said election shall have printed thereon, the words, "For the India Basin Act," and in the same square, under said words the following in brevier type: "This act provides for the acquisition of a tidal basin in the bay of San Francisco for harbor purposes, and for the payment of all costs thereof out of the 'San Francisco Harbor Improvement Fund.'" In the square immediately below the square containing said words, there shall be printed on said ballot, the words "Against the India Basin Act," and immediately below said words "Against the India Basin Act," in brevier type, shall be printed: "This act provides for the acquisition of a tidal basin in the bay of San Francisco, for harbor purposes, and for the payment of all costs thereof, out of the 'San Francisco Harbor Improvement Fund.'" Opposite the words "For the India Basin Act," and "Against the India Basin Act," there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words: "For the India Basin Act," and those voting against said act shall do so by placing a cross opposite the words "Against the India Basin Act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 10. The vote cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election, as aforesaid, then the same shall have effect as hereinabove provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast, as aforesaid, are against this act, then the same shall be and become void.

SEC. 11. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, A. D. nineteen hundred and ten; the costs of publication shall be paid out of the general fund, on controller's warrants, duly drawn for that purpose.

SEC. 12. This act shall be known and cited as the "India Basin Act."

SEC. 13. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

This bill was received by the Governor, this 23d day of March, A. D. 1909, at 5 o'clock P. M. E. C. Cooper, Private Secretary of the Governor.

CHAPTER 623. *An Act to provide for the issuance and sale of state bonds to create a fund for the construction by the board of state harbor commissioners for the bay of San Diego of harbor improvements consist of a seawall, wharves, piers, state railroad, spurs, betterments and appurtenances in the county of San Diego; to create a sinking fund for the payment of said bonds; to define the duties of state officers in relation thereto; to make an appropriation of one thousand five hundred dollars for the expense of printing said bonds, and to provide for the submission of this act to a vote of the people.*

The people of the State of California, represented in senate and assembly, do enact as follows:

SECTION 1. For the purpose of providing a fund for the payment of the indebtedness hereby authorized to be incurred by the board of state harbor commissioners for the bay of San Diego for harbor improvements consist of for the erection of a seawall, wharves, piers, state railroad, spurs, betterments and appurtenances in the county of San Diego, at a cost not to exceed one million five hundred thousand dollars, which said seawall, wharves, piers, state railroad, spurs, betterments and appurtenances the said board of state harbor commissioners for San Diego bay are hereby empowered to construct in the manner authorized by law, at a cost not to exceed one million five hundred thousand dollars, the state treasurer shall, immediately after the issuance of the proclamation of the governor provided for in section ten of this act, prepare fifteen hundred suitable bonds of the State of California in the denomination of one thousand dollars each, to be numbered from one to fifteen hundred, inclusive, and to bear date of the second day of July, nineteen hundred eleven. The total issue of said bonds shall not exceed the sum of one million five hundred thousand dollars, and they shall bear interest at the rate of four per cent per annum from the date of issuance thereof. The said bonds and the interest thereon shall be payable in gold coin of the United States of the present standard of value, at the office of the state treasurer of said state, on the second day of July, nineteen hundred eighty-five, subject, however, to redemption by lot as in this act hereinafter provided. The interest accruing on all of said bonds that shall be sold shall be payable at the office of the treasurer of the state on the second day of January and the second day of July of each year after the sale of the same. At the expiration of seventy-four years from the date of said bonds, all bonds shall cease to bear interest, and likewise all bonds redeemed by lot as hereinafter provided shall cease to bear interest according to the provisions of this act, and the state treasurer shall call in and forthwith pay and cancel the same out of the moneys in the San Diego seawall sinking fund provided for in this act, and he shall on the date of the maturity of said bonds cancel and destroy all bonds not theretofore sold. All bonds remaining unsold shall, at the date of the maturity thereof, be by the treasurer of the state canceled and destroyed. All bonds issued pursuant to the provisions of this act shall be signed by the governor of this state, countersigned by the state controller, and endorsed by the state treasurer, and the said bonds shall be so signed, countersigned, and endorsed by the officers who are in office on the second day of July, nineteen hundred eleven, and each of said bonds shall have the great seal of the State of California impressed thereon, and said bonds signed, countersigned, endorsed and sold as herein provided, shall be and constitute a valid and binding obligation upon the State of California though the sale thereof be made at a date or dates after the person so signing, countersigning and endorsing, or either thereof, shall have ceased to be an incumbent of said office or offices.

SEC. 2. Appended to each of said bonds there shall be interest coupons so attached that the same may be detached without injury or mutilation of said bonds, and said coupons shall be consecutively numbered, and shall bear the lithographic signature of the state treasurer who shall be in office on the second day of July, nineteen hundred eleven. No interest shall be paid on any of said bonds for such time as may intervene between the date of said bond and the day of sale thereof, unless said accrued interest shall have been, by the purchaser of said bond, paid to the state at the time of such sale.

SEC. 3. The sum of one thousand five hundred dollars is hereby appropriated out of any moneys in the state treasury not otherwise appropriated to pay the expense that may be incurred by the state treasurer in having said bonds prepared. The state controller is hereby authorized and directed to draw his warrant for the expense incurred in preparing the said bonds, and the state treasurer is hereby directed to pay the same.

SEC. 4. When the bonds authorized to be issued by this act shall have been signed, countersigned and endorsed, as in section 1 provided, the state treasurer shall sell the same for cash to the highest bidder in such parcels and numbers as the governor of the state shall direct, provided a resolution requesting such sale shall have been adopted by the board of state harbor commissioners for San Diego bay, and said board shall not pass such resolution until in their judgment the actual harbor receipts, and those reasonably anticipated, will justify such sale of bonds and the consequent increased burden on harbor receipts. Said resolution shall specify the number of bonds necessary to produce the amount of money which, in the judgment of said board of harbor commissioners, shall be required at such time, and the governor of the state shall direct the state treasurer to sell such number of said bonds to raise said amount of money, and that said bonds shall be sold in consecutive numerical order. The state treasurer shall not accept any bid which is less than the par value of the bond, plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date. The state treasurer may, at the time and place fixed by him for such sale, continue such sale as to the whole or any part of said bonds to such time and place as he may at the time of such continuance designate. Before offering any of said bonds for sale the state treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for said sale. The state treasurer shall give notice of the time and place of sale by publication in two newspapers published in the city and county of San Francisco, one newspaper published in the city of Los Angeles, one newspaper published in the city of San Diego, and one newspaper published in the city of Sacramento, once a week for four weeks next preceding the date fixed for such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expenses and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The cost of such publication shall be paid out of the San Diego harbor improvement fund on controller's warrants duly drawn for that purpose, and the treasurer must pay the same. The proceeds of the sale of such bonds shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "San Diego Seawall Fund," and must be used exclusively for the construction of a seawall, wharves, piers, state railroad, spurs, betterments and appurtenances thereto on the water front of the bay of San Diego. Drafts and warrants upon the said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Diego harbor improvement fund.

SEC. 5. For the payment of the principal and interest of said bonds a sinking fund, to be known and designated as the "San Diego Seawall Sinking Fund" shall be, and the same is hereby created, to wit: The state treasurer, after the second day of January, nineteen hundred and twenty-nine, shall on the first day of each and every month thereafter, after the sale of said bonds, take from the San Diego harbor improvement fund such sum as, multiplied by the time in months, the bonds then sold and outstanding at the time said treasurer shall so take said sum from said San Diego harbor improvement fund, less the amount theretofore taken therefrom for said purpose; and he shall place the sum in the seawall sinking fund created by this act. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of bonds of the United States, or of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have theretofore been sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Diego harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners of San Diego are hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage to collect a sum of money sufficient for the purposes of this act, over and above any limitations existing in the existing section of the Political Code of the State of California. Between the first and tenth day of November, in the year nineteen hundred and fifty and between the first and tenth day of November of each year thereafter until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of December following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the county of San Francisco, and also in one newspaper published in the city of San Diego, and also in one newspaper published in the city of Los Angeles, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of January, following, and that from and after such last named date, all interest upon bonds thus drawn shall cease, and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same, and the interest coupons thereon, and each year beginning with the year nineteen hundred and fifty, the said treasurer shall, in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereinabove stated. After the payment of all said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Diego harbor improvement fund. At the time of the respective drawings by lot, as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.

SEC. 6. The state controller and the state treasurer shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 7. It shall be the duty of the state treasurer to pay the interest of said bonds, when the same falls due, out of the sinking fund provided for in this act, on controller's warrants duly drawn for that purpose.

SEC. 8. This act, if adopted by the people, shall take effect on the thirty-first day of December, nineteen hundred and ten, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

SEC. 9. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be holden in the month of November, nineteen hundred and ten, and all ballots at said election shall have printed thereon and at the end thereof, the words, "For the San Diego seawall act," and in a separate line under the same words "Against the San Diego seawall act," and opposite said lines there shall be left spaces in which the voters may make or stamp a cross to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the San Diego seawall act," and all those voting against the said act shall do so by placing a cross opposite the words "Against the San Diego seawall act." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 10. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

SEC. 11. It shall be the duty of the secretary of state to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, nineteen hundred and ten, the costs of publication shall be paid out of the San Diego harbor improvement fund, on controller's warrants duly drawn for that purpose.

SEC. 12. The state controller and state treasurer are hereby directed to transfer from any moneys paid into the San Diego seawall fund under the provisions of this act to the general fund of the State of California, any and all sums of money theretofore transferred from said general fund to the San Diego seawall fund, together with interest on said moneys from the date of transfer at the rate of four per cent per annum.

SEC. 13. This act may be known and cited as the "San Diego seawall act of 1909."

W. R. PORTER,
President of the Senate.
P. A. STANTON,
Speaker of the Assembly.
Approved April 16th, A. D 1909.
J. N. GILLETT, Governor.
